

# Senior Corporate Financial Advisor

## Teaser:

WATC is seeking a Senior Corporate Financial Advisor to play a role in the financial evaluation of a range of WA Public Sector investment proposals.

## Bullet Points:

- Provide specialist financial analysis and advice to inform State decisions
- Enjoy a supportive work environment with excellent work life balance
- Work to benefit the State of WA

## About WATC

As the State's central financial services provider, we partner with government entities to achieve sound financial management outcomes, while providing investors with secure and sustainable opportunities.

WATC cares about the financial health of Western Australia's public sector agencies and provides a comprehensive range of corporate finance products covering borrowing, investing, foreign exchange, treasury management and advisory services. You can find out more about our organisation including our purpose, history and key activities by visiting the [About Us](#) tab on our website.

We are recruiting for a number of positions across our organisation. To see all current vacancies we have available visit our [Careers](#) page.

## The Opportunity

This role offers a unique opportunity to join a dynamic team tasked with evaluating key projects which support the State's long-term economic development.

WATC proudly supports flexible working practices and, as such, will consider full / part time working arrangements for the right person.

Working in an evolving environment this role will liaise with clients across State agencies to facilitate the development of effective solutions tailored to address clients' financial requirements.

## Key activities:

- Developing and maintaining complex integrated financial models.
- Conducting robust and considered financial evaluations and value to State assessments.
- Undertaking research and analysis of drivers underpinning capital investment decisions, alternative financing structures, divestment decisions, financial valuations and procurement decisions.
- Provision of specialist investment appraisal advice and recommendations on investment prioritisation including strategic merit, maturity, benefit and cost of infrastructure;
- Assisting with capital intensive procurement assessments and financial evaluation of PPP's;
- Synthesising analysis and recommendations into cohesive reports to provide to clients; and
- Supporting the preparation of proposal papers, presentations, and government submissions resulting from our financial analysis.

You will also provide support to Principal Advisors in compiling and analysing financial information and will contribute to the continuous improvement of internal processes and methodologies, training delivery and advocacy.

## About You

WATC is seeking positive and approachable individuals who enjoy working collaboratively, welcome the opportunity to mentor and share knowledge, and are passionate about being a part of the WATC advisory team. Your proactive approach and ability to remain agile in a dynamic environment will be key to your success in the role.

WATC's ideal candidates will be critical thinkers who can demonstrate a combination of the following skills, qualifications, and experience and who align with our values. If you believe you have relevant skills and experience, we would love to hear from you.

- A tertiary qualification in finance, or a relevant discipline.
- Experience in a consulting / advisory services environment.
- Strong financial modelling skills.
- Creative problem solving, critical thinking capacity and analytical skills.
- Strong interpersonal and communication skills within a client relationship and team context (with willingness to support the development of others).
- A high level of intellectual curiosity.
- A flexible, 'can-do' attitude to work.

## Our Values

Our values shape our behaviours and define how we relate to each other, our clients and our community:

**Integrity** – We are open, honest and accountable; we adhere to the highest professional and ethical standards. We honour our promises.

**Partnership** – We work collaboratively with our stakeholders and colleagues towards achieving successful outcomes.

**Adaptability** – We challenge ourselves to think creatively and to continuously improve.

**Achievement** – We are engaged and focused on delivering valued outcomes for WA.

**Leadership** – We use our knowledge and experience to contribute to the long term benefit of WA.

## Employee Benefits

At WATC we offer a range of benefits beyond remuneration that include:

- **Flexible work arrangements:**
  - Excellent work / life balance;
  - Working from home options and flexible start and finish times; and
  - Compressed work schedules and part time work opportunities.
- **Health and wellbeing focus:**
  - Calendar of a range of wellbeing initiatives;
  - Two wellbeing days annually; and
  - Discounted health insurance.
- **Generous personal leave**
  - 12.5 days personal leave per year;
  - Up to 12 weeks paid parental leave (on top of government paid parental leave scheme); and

- Access to purchase additional leave.
- **Diverse, inclusive and supportive work environment:**
  - Strong organisational focus on diversity and inclusion;
  - A range of staff initiatives to drive First Nations awareness and support women in finance; and
  - A reward and recognition program.
- **Professional development opportunities**
  - Training courses;
  - Professional memberships; and
  - Structured learning opportunities.
- **Newly refurbished offices**
  - Sit-stand desks and personal lockers;
