

Principal Advisor

About WATC

As the State's central financial services provider, Western Australian Treasury Corporation (WATC) cares about the financial health of Western Australia's Government sector. We partner with government entities to achieve sound financial outcomes and provide a comprehensive range of corporate finance, debt and investment, risk management and foreign exchange products and advisory services.

The Opportunity

WATC's Advisory Services team provides specialist expert financial advice to clients across the Western Australian Government sector. Supporting the State, the team apply a corporate finance lens to a range of large projects, proposed initiatives, and transactions and undertake financial modelling and analysis to provide high quality advice to our clients.

This role involves managing unique engagements and mentoring dynamic project teams. Working at a strategic level with WATC's clients, identifying business opportunities and guiding complex financial modelling processes. The role focus incorporates:

- Leading client engagements with a project team to deliver high quality advice.
- Conceptualising and guiding the creation of financial models for unique projects.
- Mentoring, encouraging and coaching team members to enhance Advisory Services team capabilities.
- Analysing and guiding clients on financing structures for public assets, public private partnerships and major capital investment decisions with a view to maximising value to the State.
- Undertaking quality assurance and ongoing maintenance of complex integrated financial models.
- Developing strategic relationships with clients to identify opportunities for growth.
- Conducting rigorous impartial and considered financial analysis for client engagements.

This role offers an exciting opportunity to use your financial expertise to provide impactful advice on projects that benefit Western Australia while also prioritising work-life balance. It is a great role for someone who loves complex problem solving, analytical thinking and client engagement.

About You

WATC is seeking someone with a positive and approachable attitude, who enjoys working collaboratively, welcomes the opportunity to mentor and share knowledge, and is passionate about being a part of WATC's Advisory Services team. Your proactive approach and ability to remain agile in a dynamic environment will be key to your success in this role.

WATC's ideal candidates will be critical thinkers, with experience building and maintaining relationships with key clients and who can demonstrate a combination of the following skills, qualifications and experience:

- tertiary qualifications in finance, or a related discipline;
- extensive experience in an advisory services environment;
- project management skills in a financial environment;
- excellent understanding of financial modelling and model outputs;
- creative problem solving and analytical skills;
- strong interpersonal and communication skills within a client relationship context;
- a high level of intellectual curiosity; and

- a flexible, 'can-do' attitude to work.

Our Values

Our values shape our behaviours and define how we relate to each other, our clients and our community:

Integrity – We are open, honest and accountable; we adhere to the highest professional and ethical standards. We honour our promises.

Partnership – We work collaboratively with our stakeholders and colleagues towards achieving successful outcomes.

Adaptability – We challenge ourselves to think creatively and to continuously improve.

Achievement – We are engaged and focused on delivering valued outcomes for Western Australia.

Leadership – We use our knowledge and experience to contribute to the long-term benefit of Western Australia.
